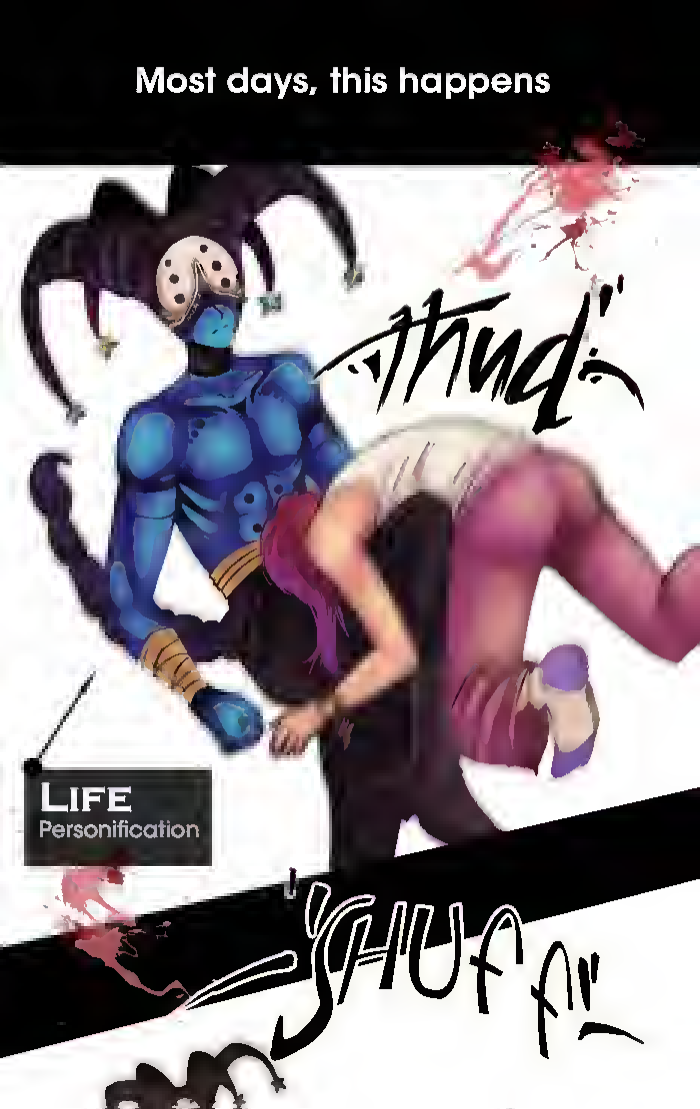
LIFE

Most days, this happens



I feel like I'm in on obusive relotionship with Life.
Some doys he beots me.
Other doys he brings roses ond chocolotes,
Reminding me of how beoutiful he con be.

No motter how much poin he inflicts,
I just con't seem to end him.

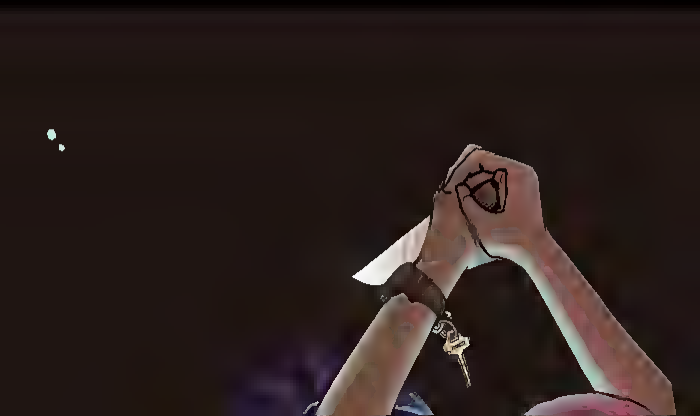
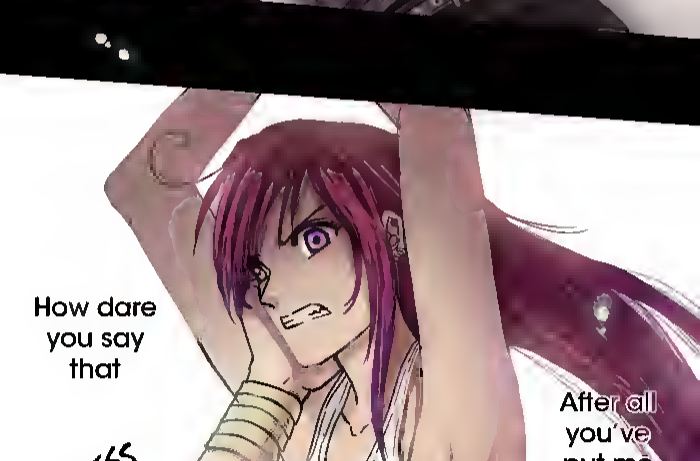
SWIPE

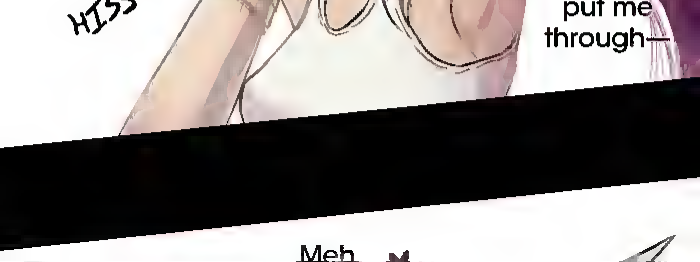
Which sometimes,
leads to this



I
love
you.



How dare
you say
that
HISS
After all
you've
put me
through—



Meh
